Staffordshire: Mavis Fox, Rylstone, Wolverhampton Rd, Middle Hill, Nr. Shareshill, Staffs WV10 7LT
or Greater Manchester: Roger Boyer, 14 Elder Close, Offerton, Stockport SK2 5AW

Conditions of entry

1. All dates of birth are as at **midnight 31 August/1 September 2010**. A swimmer must be in full time education at a secondary school or college within Division 7 on 18th September 2010.
2. Provided that the standard entry time has been achieved, a swimmer may enter a **maximum of two** events and additionally the open age 400m freestyle. At the ESSA National Finals, a swimmer may compete in only one event individually within an age group but may, if required, additionally swim in the open age 400m freestyle. **The two swimmers for the 400m freestyle will be selected on verifiable submitted times.**
3. ESSA rules limit numbers to 6 in each age group. In order to aid selection of the sixth team member, swimmers are requested to enter 50m times for freestyle and **only those relay strokes for which they wish to be considered**. This is particularly important for IM swimmers. You cannot enter the sprint trials without entering at least one championship event. There will be no pool side entries for 50m sprints.
4. A swimmer must have attained the stated **Divisional Standard Entry Time** at a recognised championship/meet. The entry must be signed by either (a) at teacher or (b) an official present at the championship or alternatively (c) supported by submitted evidence which substantiates the time eg. a result sheet.
5. In order to compete in the Divisional Swimming Championships, a swimmer must have the approval of his/her school/college. All entry forms must be countersigned by the Headteacher/Principal.
6. Swimmers must be affiliated through their local area schools' swimming association for insurance purposes. Staffordshire Schools' Association and Manchester Schools' Association have paid this fee to affiliate all swimmers and all types of schools in the Division.
7. There will be an **entry fee of £4.00 per swimmer** (regardless of the number of events entered) for this event. Cheques should be made payable to "**ESSA Division 7**".
8. All events will be seeded on swimmers' submitted times converted to 25m pools. The championships will be organised on HDW system with no finals. All entries will be acknowledged no later than 7 days before the championships with entry cards and map to locate the pool.
9. Submitted times for events other than the 400m freestyle will only be considered if a swimmer is on **National or International Duty** on the day of the Divisional Championships.
10. The selection of the team to represent the Division at the ESSA National Championships will be made by the divisional selection committee immediately after the Divisional Championships. The decision of this committee will be final and they will not enter into any correspondence regarding selection.
11. A swimmer winning two events in the trials will be invited to select the event in which he/she would **prefer** to compete for the Division at the ESSA Nationals. The selection committee will make every effort to comply with the swimmer's choice **but will give no guarantee**, as the interests of a balanced divisional team will be paramount.
12. Swimmers who have been nominated for the divisional team will be notified by post by the following Saturday. Acceptance must be returned within seven days. All members of the divisional team will be expected to participate in, and remain with, the Division 7 team throughout the ESSA National Championships and selection will be conditional on the acceptance of the ESSA Code of Conduct and any arrangements made by ESSA.
